ELECTION

Sir:

This is in response to the United States Patent and Trademark Restriction Office Action mailed March 24, 2008, which response is being made on or before April 24, 2008, and for which no extension of time fee is due.

Applicants hereby elect **Group 1, namely Claims 90-111, 114-120 and 123 drawn to a plurality of particles distributed in a waveguide in an increasing concentration such that a portion of light is scattered by the particles and emitted through a waveguide surface to provide a light gradient.**

Applicants reserve the right to file, at a later date, additional divisional applications claiming priority from the present application which are directed to the non-elected Group.

Respectfully submitted,

Martin D. Moynihan
